I am writing this letter to ask you to stop big city cable companies from blocking and dropping RFD-TV and other rural independent channels from their programs. I think independent channels should be protected on cable + ~~over-the-air~~ stations. I strongly support RFD-TV.

Sincerely,
Joseph Guidroz

I am writing in regard to
station R.F.D. We watch it so
often and enjoy so many of
the programs. It is the only
station that is clean and decent.
We can watch it with our family.
The programs are educational,
informative, and interesting.
We sincerely hope that it will
not ~~DOCKET FILE COPY ORIGINAL~~ air.

Since we have moved to Arkansas, from Colorado, we started watching RFD-TV. We have enjoyed their programming so much. We never knew these shows existed. We have even went on some of their cruises. For example - Mollie-B Polka Party, Larry's Country Diner, & Larry's ^{DOCKET FILE COPY ORIGINAL} County Family Reunion, Marty Stuart Show. So many more! Please don't take these programming channels away, we are not all from Urban areas. It takes all kinds of people & interests to make this wonderful world we live in. Thank you

Re: RFD Channel

We have watched the RFD channel for many years. There is no other channel where we can see and hear classic country music as we can on RFD. I'm sure there are many, many other TV-watching people who feel the same way. We thoroughly enjoy it.

We ask that you please not remove the RFD channel from your programming.

Dear Guys,

I have left a dance
to see 'Molly B's Polka
Party', on RFD, & I
looked to dance, but to

see all those people,
each one doing Polka
differently. Sunday morn-
ing, horse training; I'm
a city girl, but the prog-

Ron is fascinating. Then comes Porter Wagoner, in outfits I had only heard of, & a very young Dolly Parton. The country music with my coffee on Sunday morning is wonderful.

RFD is a neat channel I pay extra for.
